

ROCSAN G. LUNGAY

VIRTUAL ASSISTANT

I am seeking a dynamic virtual role where I can leverage my skills to drive success for the company while actively advancing my professional development.

Experience

2022-PRESENT

MISAMIS ORIENTAL PROVINCIAL HOSPITAL MANTICAO

ADMINISTRATIVE ASSISTANT

- Verify the receipts for medical supplies that have been purchased and enter them into an Excel spreadsheet one by one for processing (including checking the expiration date, name and address of the store, receipt date, and details).
- Create various documents such as Disbursement Vouchers, Obligation Requests, Purchase Requests, Inspection and Acceptance forms, Petty Cash Fund Summaries, Petty Cash Fund Records, Summaries of Drivers' Trips, and Pre- and Post-Inspection reports for Hospital Vehicles.
- Compiles and produces a comprehensive monthly inventory report.
- Accurately documents the distribution of stock items into stock cards and updates the hospital database accordingly.
- Serves as a bridge between suppliers and the organization, ensuring seamless communication and efficient follow-up on supply deliveries.
- Facilitate communication and coordination across various hospital departments to effectively meet their individual supply requirements.
- Ensures the availability of sufficient resources to support continuous hospital operations and meet the needs of patients and staff.
- Do administrative/clerical task such as taking meeting minutes

2019-2021

MISAMIS ORIENTAL PROVINCIAL HOSPITAL MANTICAO

MEDICAL RECORDS STAFF

- Accumulate and uphold comprehensive medical records for patient care and administrative purposes.
- Efficiently oversee the status of Philippine Health Insurance claims through online monitoring.
- Facilitate the processing of client requests for medical records with precision and care.
- Collaborate closely with the medical billing department to guarantee the accurate and timely billing of admitted patients.
- Manage billing tasks in the absence of the designated billing incharge, ensuring the seamless continuation of billing operations and addressing any related responsibilities to uphold the efficiency of financial processes.
- Safeguard and uphold the privacy and integrity of all medical records, implementing stringent measures to ensure confidentiality and security.
- Optimize the precision and currency of medical records, assuring their accuracy and real-time updates, fostering a reliable foundation for seamless claims submission.
